

MUSIC ON HOLD

MH Communications offer our own range of custom, copyright-free music from professional musicians, alongside traditional classical works. We also offer a selection of voice-over artists as well as access to celebrity voices. A perfect solution for your business at a fraction of the usual industry cost.

BENEFITS OF A MUSIC ON HOLD SYSTEM:

- Keep customer interest - A recent US survey showed that 52% of callers will hang up within 60 seconds of listening to a dead line.
- Increase business - Music and messages while on hold reduce caller hang up by up to 80%.
- Callers listening to music and messages are prepared to stay on hold for up to 120% longer on average.
- Marketing opportunities - callers can be informed of company details or current promotions.
- Create seasonal messages with new information or offers, while creating a greater personal connection with the caller.

WHY CHOOSE MH COMMUNICATIONS?

- MH Communications will discuss your needs and help create your personal script.
- We then create your custom CD which is yours to keep.
- No leasing, no copyright issues.
