

Recording Options

Option One

(£180.00 + vat)

This will be the starter or basic recording.
There will be female reassurance plus a male voice saying the name of the company.
There will be a set piece of music.
The female reassurance will be..

'Thank you for calling, our staff will be with you as soon as possible.'
'Our lines are currently busy. Please hold for a short while and your call will be answered as soon as possible.'
'You're on hold, but we will be back with you soon.'

If the recording was for a company called 'Smith International', the male voice will say,

'Welcome to Smith International',
'This is Smith International',
'Thank you for calling Smith International'

The whole thing will last about three minutes, with the voices evenly spaced over the music.

Option Two

(£300.00 + vat)

This will be the same female reassurance as the Pro-one, but with two set pieces of music.
The male voice will speak a script of up to 50 words giving information about the end user's company.

Option Three

(£500.00 + vat)

This will be a full-length script delivered by a male or female voice.
The music will be chosen to suit the individual message production.
Duration is not limited, but will generally be about three to four minutes.
